EmpInfo - Automate Verification Processes

Make a Difference in your Employee's Life with Fast, Self-Service Verification Processes

Whenever your employees apply for a loan or mortgage, a credit card, an auto loan, job or public assistance, they are counting on you to provide proof of employment, income or both. Not only are they looking for you to provide that information, but they need it immediately.

PayNW's direct connection to EmpInfo automates the employment verification process to help your employees in their life-changing events, while safeguarding their privacy, and saving you time & money.

EmpInfo Helps Three People

1. Employees - Self Service to Provide Proof of Employment & Income

2. Employers - Automate VOE, Alleviate Administrative Burden & Mitigate Risks

3. Verifiers - Instantly Verify Online, 24/7

Key Features of EmpInfo Direct Connect, from PayNW

With EmpInfo, managers can:

- Eliminate the administrative burden and standardize processes for responding to employment and income verifications.

- Reduce risk and liability for the company

- Provide a quick, efficient, and an improved experience for employees

- Verify information 24/7/365 through our secure server and mobile platform
